2016 Steeltown Invitational

QUALIFYING STANDARDS:

- There are no qualifying standards.
- In order to plan the meet properly we appreciate entries with guestimate times for the 400, 800, and 1500 FR, and 400 IM events. Coaches should try to include a time for all swimmers for these events. Where necessary, we will be swimming the 1500 FR at the same time as the 800 FR.

ENTRY SUBMISSIONS:

- All entries must be submitted through www.swimming.ca.
- No entries will be accepted directly by meet management.
- Please ensure all entries contain valid 9 digit Swim Ontario ID registration numbers.
- In order for your team to be registered in this competition, you must have received an **e-mail confirmation** indicating receipt of your entries

MEET RESULTS:

- Results will be forwarded to www.swimming.ca within 48 hours of the completion of the meet.
- Unofficial results are available on THE MEET MOBILE APP; to be updated after each session. Results may change as session results are combined each day. MEET MOBILE is a paid app.

GENERAL INFORMATION:

- Only participating swimmers, officials, certified registered coaches, and authorized people are allowed on deck.
- Lanes 1&6 will be set up as sprint lanes for the last third of the warm-up; other lanes may be opened where required.
- All events are short course timed finals.
- Saturday & Sunday morning & afternoon sessions offer the same events. Coaches should select events based on their club's session preference. Morning & afternoon results will be merged and posted by age groups and gender.
- The 200 IM is offered in multiple sessions for convenience and to make the best use of the session time available. Results will be merged and posted by age groups and gender.
- **Clubs are not permitted to enter a swimmer in the same event twice (not including time trials).**
- Meet Management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event shall so advise the Referee prior to the commencement of the session (or event) in question.
- The procedure for obtaining an 'Official Split' now requires that coaches make the request to the session referee or meet management on the "Official Split Request" Form prior to the race. The split for the lead-off leg in relays will still be regarded as an official split and therefore no request by coaches is needed for relays. However, in the new 'mixed gender' relays, lead-off times/splits are not considered "official splits" as per international practice.

RECORDING OF AN EVENT:

- Only individuals that have made application and received authorization to record the event, in any manner, in any medium or context known or unknown or hereafter developed, shall be granted access and permission to do so. Please contact meet management for application and authorization.

COACHES REGISTRATION:

- Meet management will cross reference the list of coaches in attendance at this competition with the [Swim Ontario Compliancy list](#). If a coach is not on this list, meet management is obligated to enforce the SNC policy and *not permit that coach to attend the meet*. Meet management will forward Swim Ontario a list of coaches who they have found to be in non-compliance.

SEEDING:

- Meet will be senior seeded; swum fastest to slowest.
- The host seeks an exemption from the requirement to swim events in gender separated events due to facility or time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender.
