

Last year we decided to have our Black & Gold meet at Wild Water Works. Well the event was such a success with a total of 192 members attending, that we decided to hold it there again this year.

This event is not only for your swimmer, but also their families. Please note: PARENTAL supervision is **required** at all times. This is an event for everyone to enjoy and **will not have chaperones** to look after anyone. So please make sure parents are present at all times. For those of you who have older children that normally get dropped off at the wave pool and picked up later, please note that HAC will not be responsible to monitor your child's whereabouts, or whether they have taken the time to eat or keep hydrated.

The park opens at 11:00 am, so please be there promptly so that we can get our games started quickly. The picnic tables in the back area are first come, first serve, so be sure to get there to reserve yours so that we can all be together!!

Admission Fees are listed below according to age. Payment must be made to me **no later than June 9th, 2018** in order to secure your group admission price. After this date, you will no longer be able to get the group rate. I accept cash or e-transfers to dmsmorrison@rogers.com. **Please also send me an email providing the FULL NAME and AGE of all those that will be attending.**

Payment is ONLY for Admission. You will be responsible for your own food and beverages.
